REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

The amendment of 7/8/09 has overcome previously stated issues as follows:

The objection to claim(s) 1 and 32.

The rejection of claim(s) 23 and 25-26 under 35 USC 112, 2nd paragraph.

The terminal disclaimer filed on 7/8/09 has not been approved, because the attorney is not of record. However, in accord with MPEP 804, this application is presently allowed; because this application is in condition for allowance and copending application 11/606,564 is not in condition for allowance, the obviousness-type double patenting rejection of record over the claims of copending application 11/606,564 has been properly withdrawn.
